INNOVATION

Easy Vet Shop.co.za

LAUNCH

The Easy Vet Shop is a custom online web shop that enables Veterinary Practices to sell their products online to their own customer base while also allowing for digital content distribution.

DIGITAL ENABLEMENT FOR YOUR PRACTICE THROUGH THE EASY VET SHOP

INDIVIDUALLY CUSTOMIZED

It is a web shop that is customized per practice at the fraction of the cost of developing and supporting your own web shop

DIGITAL CONTENT DISTRIBUTION

It enables digital content distribution to the end user

PAYMENT CHOICES

It provides for more payment choices than just traditional EFT and Card Payments

DIGITAL CAMPAIGNS

It provides for the ability to run campaigns, provide vouchers for gifts or discounts

STOCK MANAGEMENT

it provides a method for better stock management

COMPETITIVE

It is designed to enable Vets to compete with the big corporate's through an online presence and group buying power of all Vets belonging to the Easy Practice network.

PRACTICE CLIENT PROTECTION

It protects Vets and their client base as only the Vet Practice can authorise those who use the VetShop

COURIER DISTRIBUTION

It is integrated with the Major Courier companies for direct delivery to the clients place of work or home

MASTER LIST

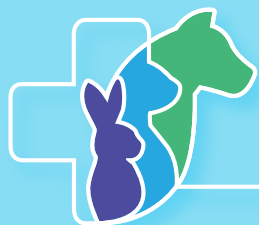

We provide a master list of products which serves as a guideline from which you can customize your stock list including standardized bar codes and product descriptions

REPORTING

It has a reporting function for better business management of your practice
